

# DENEL AEROSPACE – OVERBERG TEST RANGE

## (BREDASDORP – WESTERN CAPE)

### Technician: Command, Control & Communication (C3)

Denel is an Employment Equity employer that gives preference to suitable candidates who add to the diversity of the company.  
External applicants: If you have not received feedback within two months from the closing date, please regard your application as unsuccessful.

<b>DEPARTMENT:</b>	<b>Instrumentation : Command, Control &amp; Communication C3</b>	<b>JOB LEVEL:</b>	(The decisions on the final job level will be commensurated with the experience and know-how of the successful candidate)
<b>PURPOSE</b>	To maintain the technical functions of the C3 Section and to meet the changing test requirements for OTR's clients.		

#### KEY PERFORMANCE AREAS:

- Safety and compliance - do risk assessments by following safety protocols when working in hazardous environments.
- Be familiar with any of these sub-systems in the C3 department; multi-channel, microwave, audio, power systems, access & fire control, time-base, radio are correctly set up, functioning, and maintained according to Test Range specifications.
- Assist in the design, development and upgrading of above-mentioned sub-systems.
- Ensure all communications are secured, encrypted and protected from cyber threats.
- Train and coach operators or trainees within the C3 section.
- Diagnose and record in details any faults through a maintenance reporting process.
- Keep administrative documents and ISO procedures up to date.

#### QUALIFICATIONS AND / EXPERIENCE :

- National Diploma in Electronic Engineering (Light Current) or equivalent.
- At least two years in electronic maintenance and design experience up to component level.
- Firm understanding of distribution of time-base (Irig-B) signals and interfacing would be advantageous.
- Strong technical ability.
- Be computer literate with experience in Microsoft Office (Word, Excel, PowerPoint and Outlook) and File Management.
- Driving license (at least a code B).

#### JOB RELATED PERSONAL ATTRIBUTES

- Ability to work independently and in a team.
- Well-developed interpersonal and communication skills.
- Good command of English.
- Be able to willingly share technical information for coordination and reporting purposes. Analytical, innovative and thorough.
- When required, be willing to work after hours and or execute standby duties.
- No history or current back and or knee problems.
- Must be fit and healthy.
- No fear of heights.
- Good eye sight.
