3.32.3 SECOND STAGE – PRICE AND PREFERENTIAL POINTS ASSESSMENT

This stage will not be evaluated for this RFI, as the main objective of this RFI is to set up and appoint a panel of service providers. This appointment process of the panel will follow a two stage process.

Once pre-qualified suppliers are appointed then they will have to submit samples for evaluation purposes. The second stage is where, where they may tender, based on the 80/20 or 90/10 preference point systems which is relevant for local suppliers. At this stage capacity/capability/location, will be treated as objective criteria, and may become factors in tender award.
