

TOP YOUNG ACHIEVER AWARDS 2017!

“Celebrating Our Young Bright Minds”

Denel Group CSI

- Part of the **Denel Group's Mandate** is to support the national agenda of improving Mathematics and Science in schools, in line with Vision 2030
- We provide extra Maths and Science lessons to grade 10 to 12 learners.
- Denel attracts **South Africa's brightest young minds** to the defence industry by:
 - ❖ Hosting Career Expos for learners in historically disadvantaged areas
 - ❖ Offering bursaries for Engineering studies
 - ❖ Internship and employment opportunities when possible
 - ❖ Providing Technical Skills training at the Denel Technical Academy

Schools Outreach Programme

- Denel's CSI flagship intervention – the Schools Outreach Programme (SOP) – provides extra tuition in Mathematics, Physical Science, English and Life Sciences to high school learners
- The Programme contributes an **extra 65 learning days** to the Department of Basic Education's (DBE) school calendar
- In 2016 we supported **450 learners in Grades 10 - 12.**
- The programme is in **6 Provinces** (Gauteng, Mpumalanga, Limpopo, Eastern Cape, KwaZulu-Natal & the North West)

2016 SOP Top Student

- Meet Silinda Manelisi, one of our Denel SOP learners, currently in Grade 12 at Steenbok High School, Mpumalanga.
- In Grade 11 Silinda achieved **98% and 91%** for Maths and Science respectively.
- He is the **overall Top Learner for the year 2016.**

Denel Bursary Scheme

Denel offers bursaries for Engineering and related qualifications.

- In 2016, we had 81 bursars spread across South African Universities
- Denel spent over R16mil towards these bursaries

Achievements of our Bursary beneficiaries

- In the 2016 Academic Year our Bursars Achieved a Total of **74 Distinctions**
- Thato Tsabone & Milandro Mouton are our Top Achievers
 - They have ***10 & 9 Distinctions each respectively!***

Meet Thato Tsabone

- Thato is from Pampierstad in the North West Province
- He is a proud Denel Bursary holder
- An Honours in Electronics & Physics student at the North West University.
- In 2016, Thato achieved **10 distinctions**.

Milandro Mouton

- Milandro is from Uppington in the Northern Cape.
- He is a Denel Bursary holder in his 3rd year of Mechanical Engineering at the University of Pretoria.
- He achieved **9 distinction in his 2nd year** of study last year.

Our CSI Programme shows the ❤️ of Denel

- ❖ Our Vision for CSI is **to build sustainable communities by contributing to the socio-economic imperatives of Government.**
- ❖ We provide skills development focusing in **STEM (Science, Technology, Engineering and Mathematics)** education and training.
- ❖ This will contribute to the development of the **next layer of Scientists, Engineers, Technicians and Artisans** in South Africa.
- ❖ Caring is one of the **core Values that drive us as the Denel family**
- ❖ **Thank you** to each and every employee within the Denel Group for your support and spirit of Caring (**PIICA**)
