Muzzle velocity	112 m/s
Sight	Clamp-on
Mass	
• Weapon	6,9 kg
• Barrel length	650 mm

- Logistic Support
- Training
- Service back-up

A clamp-on handgrip incorporates a special sight with all data needed. The range, elevation and charge to be used is engraved on the face plate.

High soil compaction is given by unique dome shape base plate, resulting in higher charges and stability of the weapon.

The barrel hinges in one plane only. This facilitates superb stability and quick accurate aiming.
