(Incorporated in the Republic of South Africa with limited liability under registration number 1992/001337/30)

# ZAR2,200,000,000 Domestic Medium Term Note Programme

On 31 July 2007, Denel SOC Ltd (the **Issuer**) established a ZAR2,000,000,000 Domestic Medium Term Note Programme (the **Programme**) pursuant to a programme memorandum dated 31 July 2007 (the **Previous Programme Memorandum**). On 25 August 2010, the directors of the Issuer resolved to increase the maximum aggregate outstanding Nominal Amount of all Notes that may be issued under the Programme at any one point in time (the **Programme Amount**) from ZAR2,000,000,000 to ZAR2,200,000,000. This Programme Memorandum (this **Programme Memorandum**) will apply to all Notes (as defined herein) issued under the Programme on or after 18 September 2012 (the "**Programme Date**") and will in respect of such Notes, supersede and replace the Previous Programme Memorandum in its entirety. This Programme Memorandum will not apply to any Notes issued under the Programme before the Programme Date, and the Previous Programme Memorandum will continue to apply to such Notes.

Under this Programme, the Issuer may from time to time issue notes (the **Notes**), which expression shall include Senior Notes and Subordinated Notes (each as defined herein) denominated in any currency agreed by the Issuer and the relevant Dealer(s) (as defined herein) and further subject to all Applicable Laws and, in the case of Notes listed on the Interest Rate Market of the JSE (as defined herein) or such other Financial Exchange(s) (as defined herein) as may be determined by the Issuer and the relevant authority, the debt listings requirements of the JSE Limited (the **JSE**) or such other Financial Exchange(s), that are subject to the terms and conditions (the **Terms and Conditions**) contained in this Programme Memorandum. Any other terms and conditions not contained in the Terms and Conditions that are applicable to any Notes, replacing or modifying the Terms and Conditions, will be set forth in a pricing supplement (the **Applicable Pricing Supplement**).

Capitalised terms used in this Programme Memorandum (as defined herein) are defined in the section of this Programme Memorandum headed "**Terms and Conditions of the Notes**", unless separately defined, and/or in relation to a Tranche of Notes, in the Applicable Pricing Supplement.

As at the Programme Date (as defined herein), the Programme Amount is ZAR2,200,000,000. This Programme Memorandum will apply to the Notes issued under the Programme in an aggregate outstanding Nominal Amount which will not exceed ZAR2,200,000,000 unless such amount is increased by the Issuer pursuant to the section of this Programme Memorandum headed "**General Description of the Programme**".

The Notes may comprise, without limitation, Fixed Rate Notes, Floating Rate Notes, Mixed Rate Notes, Zero Coupon Notes and/or such combination of the foregoing Notes and/or such other type of Notes as may be determined by the Issuer and the relevant Dealer(s) and specified in the Applicable Pricing Supplement. Notes will be issued in individual Tranches which, together with other Tranches, may form a Series of Notes. A Tranche of Notes will be issued on, and subject to, the Terms and Conditions, as replaced, amended and/or supplemented by the terms and conditions of that Tranche of Notes set out in the Applicable Pricing Supplement.

This Programme Memorandum has been approved by the JSE. A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to all Applicable Laws. Unlisted Notes may also be issued under the Programme. Claims against the BESA Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE in accordance with the rules of the BESA Guarantee Fund Trust. The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE or the BESA Guarantee Fund Trust. Unlisted Notes are not regulated by the JSE. A copy of the Applicable Pricing Supplement relating to a Tranche of Notes which is to be listed on the Interest Rate Market of the JSE will be delivered to the JSE and the CSD, before the Issue Date, and the Notes in that Tranche may be traded by or through members of the JSE from the date specified in the Applicable Pricing Supplement, in accordance with the Applicable Procedures. The settlement of trades on the JSE will take place in accordance with the electronic settlement procedures of the JSE and the CSD for all trades done through the JSE. The placement of a Tranche of unlisted Notes may (at the sole discretion of the Issuer) be reported through the JSE reporting system, in which event the settlement of trades in such Notes will take place in accordance with the electronic settlement procedures of the JSE and the CSD for all trades done through the JSE. The settlement and redemption procedures for a Tranche of Notes listed on any Financial Exchange (other than or in addition to the JSE) will be specified in the Applicable Pricing Supplement.

The Notes may be issued on a continuing basis and be placed by one or more of the Dealers specified under the section headed "**Summary of Programme**" and any additional Dealer appointed under the Programme from time to time by the Issuer, which appointment may be for a specific issue or on an ongoing basis. References in this Programme Memorandum to the "**relevant Dealer**" shall, in the case of Notes being (or intended to be) placed by more than one Dealer, be to all Dealers agreeing to place such Notes.

## GENERAL DESCRIPTION OF THE PROGRAMME

---

*Capitalised terms used in this section headed “General Description of the Programme” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.*

The Issuer may from time to time issue one or more Tranches of Notes under the Programme, pursuant to this Programme Memorandum, provided that the aggregate outstanding Nominal Amount of all of the Notes issued under the Programme (including Notes issued under the Programme pursuant to the Previous Programme Memorandum) from time to time does not exceed the Programme Amount.

A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to Applicable Laws. Unlisted Notes may also be issued under the Programme. The Applicable Pricing Supplement will specify whether or not a Tranche of Notes will be listed and, if so, on which Financial Exchange. If the Issuer issues a Tranche of unlisted Notes or a Tranche of Notes is listed on any Financial Exchange other than (or in addition to) the JSE, the Issuer will, by no later than the last Day of the month of issue of that Tranche of Notes, inform the JSE in writing of the aggregate Nominal Amount and the Maturity Date (if any) of that Tranche of Notes.

This Programme Memorandum and any supplement will only be valid for the issue of Notes in an aggregate Nominal Amount which does not exceed ZAR2,200,000,000 or its equivalent in other currencies. For the purpose of calculating the South African Rand equivalent of the aggregate Nominal Amount of the Notes issued under the Programme from time to time, the South African Rand equivalent of the Notes denominated in another Specified Currency (as specified in the Applicable Pricing Supplement) shall be determined as of the date of agreement to issue such Notes (the **Agreement Date**) on the basis of the spot rate for the sale of the South African Rand against the purchase of such Specified Currency in the South African foreign exchange market quoted by any leading bank selected by the Issuer on the Agreement Date (the **Conversion Rate**) and in respect of:

- (a) Zero Coupon Notes and other Notes, the Conversion Rate shall be applied to the net subscription proceeds received by the Issuer for the relevant issue; and
- (b) Partly-Paid Notes and Index-Linked Notes, the Conversion Rate shall be applied to the Nominal Amount regardless of the amount paid up on such Notes.

From time to time the Issuer may wish to increase the Programme Amount. Subject to the Applicable Procedures, all Applicable Laws and the Programme Agreement (as defined in the section headed “*Subscription and Sale*”), the Issuer may, without the consent of Noteholders, increase the Programme Amount by delivering a notice thereof to the Noteholders in accordance with Condition 18 (*Notices*) of the Terms and Conditions, and to the Arranger, the Dealer(s), the JSE and the CSD. Upon such notice being given to the Noteholders and the conditions set out in the Programme Agreement to exercise this right having been met, all references in this Programme Memorandum (and each agreement, deed or document relating to the Programme and/or this Programme Memorandum) to the Programme Amount will be, and will be deemed to be, references to the increased Programme Amount set out in such notice.

As at the Programme Date the Issuer is rated. The Programme is not rated but may after the Programme Date be rated by a Rating Agency on a national or international scale basis. A Tranche of Notes may also, on or before the Issue Date, be rated by a Rating Agency on a national scale or international scale basis. Unrated Tranches of Notes may also be issued. The Rating assigned to the Issuer and/or the Programme and/or the Notes, as the case may be, as well as the Rating Agency(ies) which assigned such Rating(s), will be specified in the Applicable Pricing Supplement. A Rating is not a recommendation to subscribe for, buy, sell or hold any Notes. A Rating of the Issuer and/or the Programme and/or a Rating of a Tranche of Notes may be subject to revision, suspension or withdrawal at any time by the Rating Agency.

This Programme Memorandum will only apply to Notes issued under the Programme on or after the Programme Date.

A summary of the Programme and the Terms and Conditions appears below.

---

As at the Programme Date the Issuer is rated. The Programme is not rated but may after the Programme Date be rated by a Rating Agency on a national or international scale basis. A Tranche of Notes may also, on or before the Issue Date, be rated by a Rating Agency on a national scale or international scale basis. Unrated Tranches of Notes may also be issued. The Rating assigned to the Issuer and/or the Programme and/or the Notes, as the case may be, as well as the Rating Agency(ies) which assigned such Rating(s), will be specified in the Applicable Pricing Supplement.

A Rating is not a recommendation to subscribe for, buy, sell or hold Notes and may be subject to revision, suspension or withdrawal at any time by the Rating Agency. Any adverse change in the Rating of the Issuer and/or the Programme and/or a Tranche of Notes, as the case may be, could adversely affect the trading price of all or any of the Notes.

**Redemption**

A tranche of Notes will, subject to the Applicable Pricing Supplement, be redeemed on the Maturity Date, as set out in Condition 10.1 (*Redemption at Maturity*).

If so specified in the Applicable Pricing Supplement, the Issuer may redeem the Notes of any Tranche at any time prior to the Maturity Date following the occurrence of a change in law and/or for tax reasons, as set out in Condition 10.2 (*Redemption for Tax Reasons*), or unless otherwise set out in the Applicable Pricing Supplement.

If "*Early Redemption at the Option of the Issuer*" is specified as applicable in the Applicable Pricing Supplement or pursuant to Condition 10.3 (*Redemption at the Option of the Issuer*), the Issuer may, having given not less than 30 (thirty) Days nor more than 60 (sixty) Days irrevocable notice (or such other period of notice as may be specified in the Applicable Pricing Supplement) to the Noteholders in accordance with Condition 18 (*Notices*), redeem the Tranche of Notes on any Optional Redemption Date(s), or unless otherwise set out in the Applicable Pricing Supplement.

If "*Redemption at the Option of Senior Noteholders*" is specified as applicable in the Applicable Pricing Supplement, the Senior Noteholders of any Tranche of Senior Notes may, having given not less than 30 (thirty) Days nor more than 60 (sixty) Days notice (or such other period of notice as may be specified in the Applicable Pricing Supplement), require the Issuer to redeem Senior Notes on any Optional Redemption Date in the manner specified in Condition 10.4 (*Redemption at the Option of the Senior Noteholders*) and the Applicable Pricing Supplement.

If “*Early Redemption in the event of a Change of Control*” is specified as being applicable in the Applicable Pricing Supplement and (i) a Change of Control occurs (as defined below); and (ii) within the Change of Control Period (as defined below) (A) a Rating Downgrade (as defined below) occurs in relation to the Issuer and/or the Programme and/or any Tranche of Notes, as the case may be; or (B) if, the Issuer and/or the Programme and/or any Tranche of Notes are not so rated, a Negative Rating Event (as defined below) in respect of that Change of Control occurs, (in either case, a Change of Control Event) (C) and the Noteholders resolve by way of an Extraordinary Resolution to have their Notes redeemed by the Issuer, then each Noteholder in that Class of Noteholders shall have the option to require the Issuer to redeem each Note in that Tranche of Notes held by that Noteholder at its Early Redemption Amount together with accrued interest (if any) within 15 (fifteen) Days after the delivery by that Noteholder of a Change of Control Redemption Notice (as defined below), or unless otherwise set out in the Applicable Pricing Supplement.

**Selling Restrictions**

The distribution of this Programme Memorandum and/or any Applicable Pricing Supplement and any offering or sale of or subscription for a Tranche of Notes may be restricted by law in certain jurisdictions, and is restricted by law in the United States of America, the United Kingdom, the European Economic Area and South Africa (see the section of this Programme Memorandum headed “*Subscription and Sale*”). Any other or additional restrictions which are applicable to the placing of a Tranche of Notes will be set out in the Applicable Pricing Supplement. Persons who come into possession of this Programme Memorandum and/or any Applicable Pricing Supplement must inform themselves about and observe all applicable selling restrictions.

**Size of the Programme**

As at the Programme Date, the Programme Amount is ZAR2,200,000,000. This Programme Memorandum will only apply to Notes issued under the Programme in an aggregate outstanding Nominal Amount which does not exceed the Programme Amount. The Issuer may increase the Programme Amount in the manner set out in the section of this Programme Memorandum headed “*General Description of the Programme*”. The Programme Amount at the time of the issue of any Tranche of Notes will be set out in the Applicable Pricing Supplement.

**Specified Currency**

South African Rand or, subject to all Applicable Laws and, in the case of Notes listed on the Interest Rate Market of the JSE and the debt listings requirements of the JSE, such other currency as is specified in the Applicable Pricing Supplement.

**Status of Senior Notes**

The Senior Notes constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* and rateably without any preference among themselves (subject to Condition 7 (*Negative Pledge*)) and, save for certain debts required to be preferred by law), equally with all other present or future unsecured and unsubordinated obligations of the Issuer from time to time outstanding.

**Status and Characteristics relating to Subordinated Notes**

The Subordinated Notes constitute direct, unconditional, unsecured and subordinated obligations of the Issuer and will rank *pari passu* among themselves and will rank at least *pari passu* with all other present and future unsecured and subordinated obligations of the Issuer.

Subject to Applicable Law, in the event of the dissolution of the Issuer or if the Issuer is placed into liquidation or wound up or is subject to business rescue proceedings, then and in any such event the claims of the Persons entitled to be paid amounts due in respect of the Subordinated Notes shall be subordinated to all other claims in respect of any other indebtedness of the Issuer except for other Subordinated Indebtedness of the Issuer, to the extent that, in any such event, and provided as aforesaid, no amount shall be eligible for setting-off or shall be payable to any or all of the Persons entitled to be paid amounts due in respect of the Subordinated Notes in respect of the obligations of the Issuer thereunder until all other indebtedness of the Issuer which is admissible in any such dissolution, liquidation, winding-up or business rescue proceedings (other than Subordinated Indebtedness) has been paid or discharged in full.

**Stabilisation**

In connection with the issue and distribution of any Tranche of Notes under the Programme, the Dealer(s), if any, that is specified in the Applicable Pricing Supplement as the Stabilising Manager (or any Person acting for the Stabilising Manager) may, if specified in that Applicable Pricing Supplement and only if such stabilising is permitted by the debt listings requirements of the JSE and approved by the JSE, over-allot or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail for a limited period. However, there may be no obligation on the Stabilising Manager (or any agent of the Stabilising Manager) to do this. Such stabilising, if commenced, may be discontinued at any time and must be brought to an end after a limited period. Such stabilising shall be in compliance with all Applicable Laws, regulations and rules.

**Taxation**

A summary of the applicable tax legislation in respect of the Notes, as at the Programme Date, is set out in the section of this Programme Memorandum headed "*South African Taxation*". The summary does not constitute tax advice. Potential investors in the Notes should, before making an investment in the Notes, consult their own professional advisers as to the potential tax consequences of, and their tax positions in respect of, an investment in the Notes.

**Terms and Conditions**

The terms and conditions of the Notes are set out in the section of this Programme Memorandum headed "*Terms and Conditions of the Notes*". The Applicable Pricing Supplements may specify other terms and conditions (which may replace, modify or supplement the Terms and Conditions) in relation to specific terms and conditions of the Notes of any Tranche of Notes issued.

**Use of Proceeds**

The Issuer will use the issue proceeds of the Notes for its general corporate purposes, or as may otherwise be described in the Applicable Pricing Supplement.

## **Withholding Taxes**

As at the Programme Date, all payments of principal and interest in respect of the Notes will be made without withholding or deduction for or on account of taxes levied in South Africa. In the event that withholding tax or such other deduction is required by law, then the Issuer will, subject to certain exceptions as provided in Condition 11 (*Taxation*), pay such additional amounts as shall be necessary in order that the net amounts received by the Noteholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, as the case may be, in the absence of such withholding or deduction.

## FORM OF THE NOTES

---

*Capitalised terms used in this section headed "Form of the Notes" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.*

### **Notes issued in certificated form**

All certificated Notes will be represented by a single Individual Certificate in registered form. Notes represented by Individual Certificates will be registered in the Register in the name of the individual Noteholders of such Notes.

Title to Notes represented by Individual Certificates will pass upon registration of transfer in accordance with Condition 14.2 (*Transfer of Notes represented by Individual Certificates*) of the Terms and Conditions.

The Issuer shall regard the Register as the conclusive record of title to the Notes represented by Individual Certificates.

Payments of all amounts due and payable in respect of Notes represented by Individual Certificates will be made in accordance with Condition 9 (*Payments*) of the Terms and Conditions to the Person reflected as the registered Noteholder of such Notes in the Register at 17h00 (South African time) on the Last Day to Register, and the payment obligations of the Issuer will be discharged by proper payment to or to the order of such registered holder in respect of each amount so paid.

### **Notes issued in uncertificated form**

A Tranche of Notes which is listed on the Interest Rate Market of the JSE may, subject to Applicable Laws and Applicable Procedures, be issued in uncertificated form in terms of section 37 of the Securities Services Act.

Notes issued in uncertificated form will not be represented by any certificate or written instrument. A Tranche of Notes issued in uncertificated form will be held by the CSD, and the CSD's Nominee will be named in the Register as the registered Noteholder of that Tranche of Notes.

### **Beneficial Interests in Notes held in the CSD**

A Tranche of Notes which is listed on the Interest Rate Market of the JSE will be issued in uncertificated form and held in the CSD. A Tranche of unlisted Notes may also be held in the CSD. While a Tranche of Notes is held in the CSD, the CSD's Nominee will be named in the Register as the sole Noteholder of the Notes in that Tranche.

The CSD will hold each Tranche of Notes subject to the Securities Services Act and the Applicable Procedures. All amounts to be paid and all rights to be exercised in respect of Notes held in the CSD will be paid to and may be exercised only by the CSD's Nominee for the holders of Beneficial Interests in such Notes.

The CSD maintains central securities accounts only for Participants. As at the Programme Date, the Participants are Absa Bank Limited, FirstRand Bank Limited, Nedbank Limited, The Standard Bank of South Africa Limited and the South African Reserve Bank. Beneficial Interests which are held by Participants will be held directly through the CSD, and the CSD will hold such Beneficial Interests, on behalf of such Participants, through the central securities accounts maintained by the CSD for such Participants.

The Participants are in turn required to maintain securities accounts for their clients. Beneficial Interests which are held by clients of Participants will be held indirectly through such Participants, and such Participants will hold such Beneficial Interests, on behalf of such clients, through the securities accounts maintained by such Participants for such clients. The clients of Participants may include the holders of Beneficial Interests in the Notes or their custodians. The clients of Participants, as the holders of Beneficial Interests or as custodians for such holders, may exercise their rights in respect of the Notes held by them in the CSD only through their Participants. Euroclear Bank S.A./N.V. as operator of the Euroclear System (**Euroclear**) and Clearstream Banking, société anonyme, (Clearstream Luxembourg) (**Clearstream**) may hold Notes through their Participant.

the outstanding Nominal Amount of such Notes standing to the account of any Person shall be *prima facie* proof of such Beneficial Interest. The CSD's Nominee (as the registered Noteholder of such Notes named in the Register) will be treated by the Issuer, the Paying Agent, the Transfer Agent and the relevant Participant as the holder of that outstanding Nominal Amount of such Notes for all purposes.

Title to Beneficial Interests held by Participants directly through the CSD will pass on transfer thereof by electronic book entry in the central securities accounts maintained by the CSD for such Participants. Title to Beneficial Interests held by clients of Participants indirectly through such Participants will pass on transfer thereof by electronic book entry in the security accounts maintained by such Participants for such clients. Beneficial Interests may be transferred only in accordance with the Applicable Procedures. Holders of Beneficial Interests vote in accordance with the Applicable Procedures.

## 5. STATUS OF SENIOR NOTES

The Senior Notes are direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* and rateably without any preference among themselves and (save for certain debts required to be preferred by law) equally with all other present and future unsecured and unsubordinated obligations of the Issuer from time to time outstanding.

## 6. STATUS AND CHARACTERISTICS OF SUBORDINATED NOTES

- 6.1. Subordinated Notes constitute direct, unconditional, unsecured and subordinated obligations of the Issuer and rank *pari passu* among themselves and at least *pari passu* with all other present and future unsecured and subordinated obligations of the Issuer, save for those which have been accorded preferential rights by law, or as otherwise set out in the Applicable Pricing Supplement.
- 6.2. Subject to Applicable Laws, in the event of the dissolution of the Issuer or if the Issuer is placed into liquidation or wound-up or commences business rescue proceedings, the claims of the Persons entitled to payment of amounts due in respect of the Subordinated Notes, shall be subordinated to all other claims in respect of any other indebtedness of the Issuer except for other Subordinated Indebtedness, to the extent that, in any such event, and provided as aforesaid, no amount shall be eligible for setting-off or shall be payable to any or all of the Persons entitled to payment of amounts due in respect of the Subordinated Notes in respect of the obligations of the Issuer thereunder until all other indebtedness of the Issuer which is admissible in any such dissolution, insolvency, business rescue or winding-up (other than Subordinated Indebtedness) has been paid or discharged in full.

## 7. NEGATIVE PLEDGE

- 7.1. For so long as any Tranche of the Senior Notes remains Outstanding, the Issuer undertakes that it shall not, and shall procure that no other Material Subsidiary, create or permit the creation of any Encumbrances other than Permitted Encumbrances over any of their present or future business undertakings, assets or revenues to secure any present or future Indebtedness (save for those which have been accorded a preference by law) without at the same time securing all Senior Notes equally and rateably with such Indebtedness or providing such other security or arrangement as may be approved by Extraordinary Resolution of the Senior Noteholders, unless the provision of any such security is waived by an Extraordinary Resolution of the Senior Noteholders.
- 7.2. The Issuer shall be entitled, but not obliged, to form, or procure the formation of, a trust or special purpose company (or more than one), or appoint, or procure the appointment of, an agent or agents to hold any such rights of security for the benefit or on behalf of such Noteholders.

## 8. INTEREST

### 8.1. Fixed Rate Notes

- 8.1.1. Each Fixed Rate Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement at the rate(s) per annum equal to the

Fixed Rate of Interest so specified, payable in arrears on the Fixed Interest Payment Dates in each year up to and including the Maturity Date.

- 8.1.2. The first payment of interest will be made on the Fixed Interest Payment Date next following the Interest Commencement Date.
- 8.1.3. Except as provided in the Applicable Pricing Supplement, the amount of interest payable per Note on each Fixed Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount, provided that:
  - 8.1.3.1. if an Initial Broken Amount is specified in the Applicable Pricing Supplement, then the first Interest Amount shall equal the Initial Broken Amount specified in the Applicable Pricing Supplement; and
  - 8.1.3.2. if a Final Broken Amount is specified in the Applicable Pricing Supplement, then the final Interest Amount shall equal the Final Broken Amount.
- 8.1.4. If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, as specified in the Applicable Pricing Supplement, and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half such Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

## 8.2. **Floating Rate Notes and Indexed Interest Notes**

### *Interest Payment Dates*

Each Floating Rate Note and Indexed Interest Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement, and such interest will be payable in arrears on the Interest Payment Date(s) in each year specified in the Applicable Pricing Supplement. Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

### *Rate of Interest*

The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Indexed Interest Notes will be determined in the manner specified in the Applicable Pricing Supplement.

### *Minimum and/or Maximum Rate of Interest*

If the Applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the Applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

### *Determination of Rate of Interest and Calculation of Interest Amount*

The Calculation Agent, in the case of Floating Rate Notes and Indexed Interest Notes will at, or as soon as is practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the Interest Amount payable in respect of each Floating Rate Note and Indexed Interest Note in respect of each Specified Denomination for the relevant Interest Period, and the Calculation Agent shall notify the Issuer of the Rate of Interest for the relevant Interest Period as soon as is practicable after calculating the same. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest Sub-unit of the relevant Specified

Currency, half a Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

*Interest Determination, Screen Rate Determination including Fallback Provisions*

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph, **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by such agent as is specified in the Applicable Pricing Supplement under an interest rate swap transaction if that agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the most recent ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on ZAR-JIBAR-SAFEX, the first Day of that Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

For the purposes of the above sub-paragraph **Floating Rate, Floating Rate Option, Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions specified in the Applicable Pricing Supplement.

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject to the provisions below, be either:

- (a) if the Relevant Screen Page is available,
  - (i) the offered quotation (if only one quotation appears on the screen page); or
  - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at 11h00 (or as otherwise specified in the Applicable Pricing Supplement) (Johannesburg time) on the Interest Determination Date in question plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations; or

- (b) if the Relevant Screen Page is not available or if, in the case of (i) above, no such offered quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11h00 (Johannesburg time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent; or
- (c) if the Rate of Interest cannot be determined by applying the provisions of (a) and (b) above, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the

rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, deposits in an amount approximately equal to the nominal amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate to prime banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Rate of Interest for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the nominal amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, by the Reference Banks plus or minus (as appropriate) the Margin (if any). If the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than ZAR-JIBAR-SAFEX, the Rate of Interest in respect of such Notes will be determined as provided in the Applicable Pricing Supplement.

#### *Notification of Rate of Interest and Interest Amount*

The Issuer will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the JSE and the CSD and/or every other relevant exchange or authority as soon as possible after their determination but in any event no later than the 4<sup>th</sup> (fourth) Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to the JSE, the CSD and/or every other relevant exchange or authority and to the Noteholders in accordance with Condition 18 (*Notices*).

#### *Certificates to be Final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this subparagraph 8.2, by the Calculation Agent shall (in the absence of wilful deceit, bad faith or manifest error or proven error) be binding on the Issuer and all Noteholders and in the absence as aforesaid no liability to the Issuer or the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

### **8.3. Dual Currency Interest Notes**

In the case of Dual Currency Interest Notes, the Interest Rate or Interest Amount payable shall be determined in the manner specified in the Applicable Pricing Supplement.

### **8.4. Mixed Rate Notes**

The Interest Rate payable from time to time on Mixed Rate Notes shall be the Interest Rate payable on the form of interest-bearing Note (be it a Fixed Rate Note, Floating Rate Note, Index-Linked Note or Dual Currency Note) specified for each respective period, each as specified in the Applicable Pricing Supplement. During each such applicable period, the Interest Rate on the Mixed Rate Notes shall be determined and fall due for payment on the basis that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Index-Linked Notes or Dual Currency Notes, as the case may be.

## 8.5. **Accrual of Interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue at the Default Rate specified in the Applicable Pricing Supplement until the date on which all amounts due in respect of such Note have been paid, or, in respect of uncertificated Notes, the date on which the full amount of the money payable has been received by the CSD and/or the Participants and notice to that effect has been given to Noteholders in accordance with Condition 18 (*Notices*).

## 8.6. **Business Day Convention**

If any Interest Payment Date (or other date), which is specified in the Applicable Pricing Supplement to be subject to adjustment in accordance with a Business Day Convention, would otherwise fall on a Day that is not a Business Day, then, if the Business Day Convention specified is:

- (a) the **Floating Rate Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day unless it would thereby fall into the next calendar month, in which event: (i) such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day and (ii) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months, or other period specified as the Interest Period in the Applicable Pricing Supplement, after the preceding applicable Interest Payment Date (or other date) has occurred; or
- (b) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day; or
- (c) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the first preceding Business Day; or
- (d) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day.

## 9. **PAYMENTS**

### 9.1. **General**

Payments of principal and/or interest on an Individual Certificate shall be made to the registered holder of such Note, as set forth in the Register on the close of business on the Last Day to Register (as specified in the Applicable Pricing Supplement). In addition to the above, in the case of a final redemption payment, the holder of the Individual Certificate shall be required, on or before the Last Day to Register prior to the Maturity Date, to surrender such Individual Certificate at the offices of the Transfer Agent.

Payments of principal and/or interest in respect of uncertificated Notes shall be made to the CSD's Nominees or the Participants, as shown in the Register on the Last Day to Register, and the Issuer will be discharged of its payment obligations by proper payment to the CSD's Nominees or the Participants, in respect of each amount so paid. Each of the Persons shown in the records of the CSD and the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes.

### 9.2. **Method of Payment**

Payments will be made in the Specified Currency by credit or transfer, by means of electronic settlement, to the Noteholder.

Payments will be subject in all cases to any fiscal or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 11 (*Taxation*).

If the Issuer is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with the preceding paragraph (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, Government interference or control or any other cause or contingency beyond the control of the Issuer), the Issuer shall make such payment by cheque marked “*not transferable*” (or by such number of cheques as may be required in accordance with applicable banking law and practice to make payment of any such amounts). Such payments by cheque shall be sent by post to the address of the Noteholder as set forth in the Register or, in the case of joint Noteholders, the address set forth in the Register of that one of them who is first named in the Register in respect of that Note.

Each such cheque shall be made payable to the relevant Noteholder or, in the case of joint Noteholders, the first one of them named in the Register. Cheques may be posted by ordinary post, provided that neither the Issuer, nor the Paying Agent shall be responsible for any loss in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purposes of all cheques posted in terms of this Condition 9.2.

In the case of joint Noteholders, payment by electronic funds transfer will be made to the account of the Noteholder first named in the Register. Payment by electronic transfer to the Noteholder first named in the Register shall discharge the Issuer of its relevant payment obligations under the Notes.

### 9.3. **Payment Day**

If the date for payment of any amount in respect of any Note is not a Business Day, subject to the applicable Business Day Convention, the holder thereof shall not be entitled to payment until the next following Business Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

### 9.4. **Interpretation of Principal and Interest**

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- 9.4.1. any additional amounts which may be payable with respect to principal under Condition 11 (*Taxation*);
- 9.4.2. the Final Redemption Amount of the Notes or the Early Redemption Amount of the Notes, as the case may be;
- 9.4.3. the Optional Redemption Amount(s) (if any), as specified in the Applicable Pricing Supplement, of the Notes;
- 9.4.4. in relation to Instalment Notes, the Instalment Amounts;
- 9.4.5. in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 10.6.3); and
- 9.4.6. any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes, but excluding for the avoidance of doubt, interest.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 11 (*Taxation*).

## 10. **REDEMPTION AND PURCHASE**

### 10.1. **Redemption at Maturity**

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer in the Specified Currency at its Final Redemption Amount specified in, or determined in the manner specified in, the Applicable Pricing Supplement on the Maturity Date.

### 10.2. **Redemption for Tax Reasons**

Notes may be redeemed at the option of the Issuer at any time (in the case of Notes other than Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes having an Interest

Rate then determined on a floating or indexed basis) or on any Interest Payment Date (in the case of Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes), on giving not less than 30 (thirty) Days nor more than 60 (sixty) Days notice to the Noteholders prior to such redemption, in accordance with Condition 18 (*Notices*) (which notice shall be irrevocable), if the Issuer, immediately prior to the giving of such notice, is of the reasonable opinion that:

- 10.2.1. as a result of any change in, or amendment to, the laws or regulations of South Africa or any political sub-division of, or any authority in, or of, South Africa having power to tax, or any change or amendment which becomes effective after the relevant Issue Date, the Issuer is or would be required to pay additional amounts as provided or referred to in Condition 11 (*Taxation*); and
- 10.2.2. the requirement cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 (ninety) Days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Notes may be redeemed by the Issuer in accordance with this Condition 10.2 in whole or in part. A redemption in part may be effected by the Issuer:

- 10.2.2.1. notwithstanding that such partial redemption may not entirely avoid such obligation to pay additional amounts as provided for or referred to in Condition 11 (*Taxation*); and
- 10.2.2.2. *mutatis mutandis* in the manner described in Condition 10.3 (*Redemption at the Option of the Issuer*), provided that the references to the giving of notice therein and to the Minimum Redemption Amount and the Higher Redemption Amount (both as specified in the Applicable Pricing Supplement) therein shall be disregarded for such purposes.

Notes redeemed for tax reasons pursuant to this Condition 10.2 will be redeemed at their Early Redemption Amount referred to in Condition 10.6 (*Early Redemption Amounts*), together (if appropriate) with interest accrued from (and including) the immediately preceding Interest Payment Date to (but excluding) the date of redemption or as specified in the Applicable Pricing Supplement.

### 10.3. **Redemption at the Option of the Issuer**

If the Issuer is specified in the Applicable Pricing Supplement as having an option to redeem, the Issuer may, having given not less than 30 (thirty) Days nor more than 60 (sixty) Days irrevocable notice to the Noteholders in accordance with Condition 18 (*Notices*) or unless otherwise specified with the Applicable Pricing Supplement, redeem all or some of the Notes (to which such Applicable Pricing Supplement relates) then Outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the Applicable Pricing Supplement, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a Nominal Amount equal to the Minimum Redemption Amount or a Higher Redemption Amount, both as indicated in the Applicable Pricing Supplement.

In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by Individual Certificates, and in accordance with the Applicable Procedures in the case of Redeemed Notes which are uncertificated, and in each case not more than 30 (thirty) Days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**).

In the case of Redeemed Notes represented by Individual Certificates, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 18 (*Notices*) not less than 15 (fifteen) Days prior to the date fixed for redemption. The aggregate Nominal Amount of Redeemed Notes represented by Individual Certificates shall bear the same proportion to the aggregate Nominal Amount of all Redeemed Notes as the aggregate Nominal Amount of Individual Certificates outstanding bears to the aggregate

Nominal Amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned Nominal Amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination and the aggregate Nominal Amount of Redeemed Notes which are uncertificated shall be equal to the balance of the Redeemed Notes. No exchange of the relevant uncertificated Notes will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph, and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 18 (*Notices*) at least 10 (ten) Days prior to the Selection Date.

5. **CORPORATE GOVERNANCE**

Denel complies with King III save for those areas of non-compliance set out below. Denel has implemented measures to comply with King III as set out in the annual report which is incorporated by reference in this document.

King III Reference	Disclosure Requirement	Potential areas of non-compliance	Explanation
2.1.5	The Board should consider business rescue proceedings or other turnaround mechanisms as soon as the company is financially distressed as defined in the Companies Act.	This is a new requirement in terms of the Companies Act. However, the Board does monitor the liquidity and solvency of Denel and ensures that initiatives are implemented to turn Denel around.	Although Denel complies at this stage, the Board recognises that it needs to take cognisance of "Business Rescue" as outlined in Chapter 6 of the Companies Act. Accordingly, a clause dealing with Business Rescue will be included in Denel's Memorandum of Incorporation.
2.1.9	<u>Board appointment process</u> <ul style="list-style-type: none"><li>• Nomination committee should assist with the process of identifying suitable members for the Board</li><li>• Reference checks</li></ul>	Denel does not have an established Nominations Committee	As a state owned company and in line with its Memorandum and Articles of Association, it is the prerogative of the shareholder to appoint the non-executive directors and the Group

	<p>should be performed before the nomination and appointment of directors</p> <ul style="list-style-type: none"> <li>• The Board should make full disclosure regarding individual Directors to enable the shareholders to make their own assessment of directors</li> </ul>		<p>Chief Executive Officer (<b>GCEO</b>).</p> <p>In the event that Denel needs to appoint a GCEO or other executives, an ad hoc Nominations Committee is established to oversee the process and thereafter recommend a suitable candidate to the Board for approval (in the case of the GCEO, the Board recommends a candidate to the shareholder.)</p>

The board charter includes a schedule of matters reserved for the board and the terms of reference of various board committees. The Board is committed to sound governance and ensures that Denel Group's business is conducted in accordance with high standards of corporate governance.

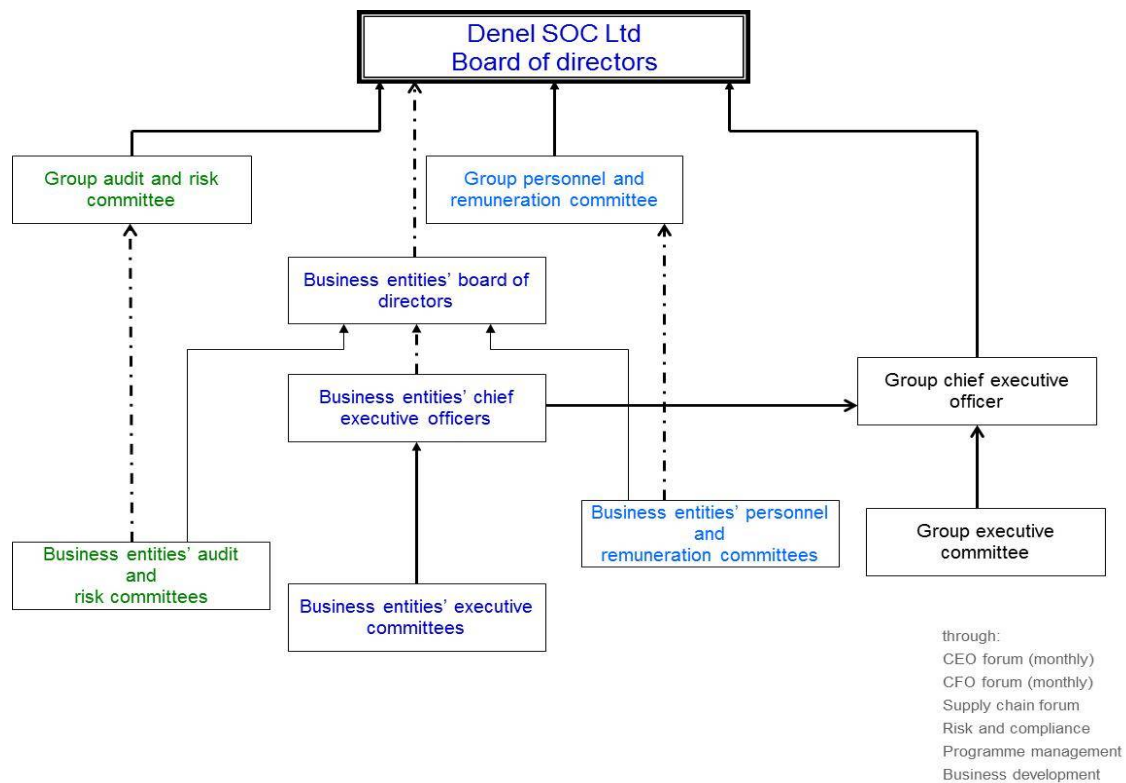

Corporate governance is inextricably linked to Denel Group's management systems, structures, policies and culture of governance. This ensures that the Denel Group acts towards all stakeholders in a responsible and transparent manner from an economic, social and environmental perspective.

**Responsibility and accountability**

The Board provides leadership and strategic oversight in an effort to achieve and sustain value for Denel's shareholders and stakeholders. All members of the board are individually and collectively aware of their responsibilities to Denel's stakeholders, and each director brings experience, independence of character and judgement. Regular reviews of the Board's performance are undertaken.

In executing its mandate, the Board has set up a corporate governance framework that is supported by Denel's internal policies controls and regulations. This framework is depicted below:

Day-to-day governance is the responsibility of Denel's management, which regularly reports to the Board and its sub-committees. The Board and the Audit and Risk Committee Chairmen play an active role in driving and addressing corporate governance issues that arise from time to time. This is done through regular interaction with executive directors, senior management and other stakeholders.

### Board structure

Denel Group has a unitary board, comprising of two executive directors, the GCEO and the GFD, and fourteen non-executive directors, who all meet the Board's independence criteria as they are free from any business relationship that may generally hamper their objectivity or judgement with respect to the business and activities of the Denel Group.

### Board Committees

The Board has established and delegated specific roles and responsibilities to three standing committees:

- Audit and Risk Committee
- Personnel and Remuneration Committee
- Social and Ethics committee

All standing committees are chaired by independent non-executive directors.

Each committee's role, responsibilities and membership are in accordance with their terms of reference as approved by the Board. In accordance with best practices of corporate governance, these terms of reference are reviewed annually to ensure that they remain in line with relevant regulations, Denel requirements and the business climate.

### Audit and risk committee

Membership of the audit and risk committee, including its chairman, comprises only independent non-executive directors. Executive directors are standing invitees to committee meetings. All members of the committee have considerable financial and risk management experience necessary to oversee and guide the Board. The committee's functions include audit and risk, the governance of risk, and IT risk.

### **Social and ethics committee**

In accordance with the Companies Act, 2008 and its accompanying regulations, the Board has also established a social and ethics committee with non-executive directors as members.

### **Personnel, remuneration and transformation committee**

The norm in the industry is for the Board to establish two committees, namely a Personnel and Remuneration Committee and a Transformation Committee. Denel has one committee that oversees both remuneration and transformation issues.

## **6. CONTINGENT LIABILITIES**

### **Litigation**

Litigation comprises of legal claims lodged as well as of legal claims that may be lodged against the Denel Group. The aggregate value of significant claims lodged against Denel not specifically provided for was R20 million (2011: R16 million). The directors are of the view that the possibility of success for most of the claims against Denel is remote and that no material losses are expected to materialise from such claims other than that which have already been provided for.

Details of some of the key issues are provided below:

- Denel Group is in dispute with one of its key customers with respect to certain contractual matters. This has led to the cancellation of contracts that were in progress and the loss of potential contracts, as well as the call up of related performance guarantees. The particular customer has notified the South African Government of its intention to proceed with the matter. It is expected that the matter may involve legal proceedings in a South African court. It is not possible at this stage to estimate the potential damages and legal costs involved as Denel Group has not been formally notified of the proceedings. Denel has agreed to co-operate with this customer, which is likely to lead to a settlement of the matter.
- Denel Group was involved in a system development. This particular contract was cancelled by the customer on the basis of an allegation of non-performance. At this stage, it is not possible to estimate the potential damages and other related costs as these have not yet been communicated. It is envisaged that a legal process will ensue if the issue is not mutually resolved.

### **Contract losses**

One of Denel Group's subsidiaries is a programme partner in a design, manufacturing and supply contract for certain aircraft components. The contract has a value of approximately R1.5 billion and there is an estimated contract loss of approximately R1.4 billion. This loss has not been raised as a provision as a written commitment has been received from the shareholder stating its support (including financial support) for the continuation of the contract despite it being loss making. This support is due to the fact that the contract has certain strategic advantages for the country.

Denel has provided a guarantee for the contract referred to above to the prime contractor, a European-based company. Denel guaranteed that the subsidiary will discharge, in full, its contractual obligations and liabilities, including without limitation, counter claims or setoff. Negotiations are underway to revise certain key contract terms and conditions and as part of these negotiations, an in principle agreement has been reached to cap any potential claim for liquidated damages to EURO 2 million.

## **Countertrade**

Denel Group has entered into several export sales contracts that give rise to certain countertrade obligations. The obligations vary between 60% and 100% of the export sales contract value.

These countertrade obligations can be fulfilled in one or a combination of the following ways:

- production work share and technology transfer;
- procurement of products and services from suppliers in the buyers' country;
- participation in a business venture in the buyers' country; and
- exchange of countertrade obligations with companies from buyers' countries that have countertrade obligations in South Africa;

Denel Group is constantly in negotiations to conclude any outstanding portion of the countertrade obligation and has issued guarantees to the value of R33 million (2011: R32 million) for penalties on non-fulfilment of countertrade obligations.

Denel Group has entered into local defence contracts which require the group to impose countertrade obligations in favour of South Africa on all imported content. Denel Group has, therefore, entered into back-to-back agreements with the suppliers to ensure that this obligation is offset. Denel Group received bank guarantees from all the said suppliers which were ceded to the client.

## INVESTOR CONSIDERATIONS

---

*Capitalised terms used in this section headed “Investor Considerations” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.*

*The Issuer believes that the factors outlined below may affect its ability to fulfil its obligations under the Notes. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring. In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described below. The value of the Notes could decline due to any of these risks, and investors may lose some or all of their investment.*

*The Issuer believes that the factors described below represent the principal risks inherent in investing in the Notes, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it, or which it may not currently be able to anticipate. Accordingly, the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive.*

*Prospective investors should also read the detailed information set out elsewhere in this Programme Memorandum to reach their own views prior to making any investment decision.*

*References below to the “Terms and Conditions”, in relation to Notes, shall mean the “Terms and Conditions of the Notes” set out set out under the section of this Programme Memorandum headed “Terms and Conditions of the Notes”.*

### **Factors that may affect the Issuer’s ability to fulfil its obligations under Notes issued under the Programme**

#### **Risks Relating to the Notes**

##### ***The Notes may not be a suitable investment for all investors***

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Programme Memorandum or any applicable supplement;
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such an investment will have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor’s currency;
- understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor’s overall investment portfolio.

### ***There is no active trading market for the Notes***

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. There is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

### ***The Notes may be redeemed prior to maturity***

Unless in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the government of South Africa or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Conditions.

In addition, if in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies that the Notes are redeemable at the Issuer's option in certain other circumstances, the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

### ***Because uncertificated Notes are held by or on behalf of the CSD, investors will have to rely on their procedures for transfer, payment and communication with the Issuer***

Notes issued under the Programme which are listed on the Interest Rate Market of the JSE or such other or additional Financial Exchange and/or held in the CSD may, subject to Applicable Laws and the Applicable Procedures, be issued in uncertificated form. Unlisted Notes may also be held in the CSD in uncertificated form. Notes held in the CSD will be issued, cleared and settled in accordance with the Applicable Procedures through the electronic settlement system of the CSD. Except in the limited circumstances described in the Terms and Conditions, investors will not be entitled to receive Individual Certificates. The CSD will maintain records of the Beneficial Interests in Notes and/or issued in uncertificated form, which are held in the CSD (whether such Notes are listed or unlisted). Investors will be able to trade their Beneficial Interests only through the CSD and in accordance with the Applicable Procedures.

Payments of principal and/or interest in respect of uncertificated Notes will be made to the CSD's Nominee or the Participants and the Issuer will discharge its payment obligations under the Notes by making payments to or to the order of the CSD' Nominee or the Participants for distribution to their account holders. A holder of a Beneficial Interest in uncertificated Notes, whether listed or unlisted, must rely on the procedures of the CSD to receive payments under the relevant Notes. Each investor shown in the records of the CSD or the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, such Beneficial Interests.

Holders of Beneficial Interests in uncertificated Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by the CSD to appoint appropriate proxies.

### ***Recourse to the BESA Guarantee Fund Trust***

The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the BESA Guarantee Fund Trust. Claims against the BESA Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the BESA Guarantee Fund Trust. Unlisted notes are not regulated by the JSE.

### ***Credit Rating***

Tranches of Notes issued under the Programme, the Issuer and/or the Programme, as the case may be, may be rated or unrated. A Rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning Rating Agency. Any adverse change in an applicable credit rating could adversely affect the trading price for the Notes issued under the Programme.

### ***Risks related to the structure of the particular issue of Notes***

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

#### *Notes subject to optional redemption by the Issuer*

An optional redemption feature is likely to limit the market value of the Notes. During any period when the Issuer may elect to redeem the Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to re-invest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

#### *Index-Linked and Dual Currency Notes*

The Issuer may issue Notes the terms of which provide for interest or principal payable in respect of such Note to be determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a “**Relevant Factor**”) or with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- the market price of such Notes may be volatile;
- no interest may be payable on such Notes;
- payments of principal or interest on such Notes may occur at a different time or in a different currency than expected;
- the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero;
- a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and
- the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

#### *Partly-paid Notes*

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

#### *Notes issued at a substantial discount or premium*

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

### *Variable Rate Notes with a multiplier or other leverage factor*

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

### *Fixed/Floating Rate Notes*

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate may at any time be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

### *Notes where denominations involve integral multiples: Individual Certificates*

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive an Individual Certificate in respect of such holding and would need to purchase a Principal Amount of Notes such that its holding amounts to a minimum Specified Denomination.

If Individual Certificates are issued, holders should be aware that Individual Certificates which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

### **Modification and waivers and substitution**

The Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

### **Change of law**

The Notes are governed by, and will be construed in accordance with, South African law in effect as at the Programme Date. No assurance can be given as to the impact of any possible judicial decision or change to South African law or administrative practice in South Africa after the Programme Date.

### **Legal investment considerations may restrict certain investments**

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

### **Risks Relating to the Issuer**

Risks affecting the business of the Issuer are set out in the section of this Programme Memorandum, headed "*Description of Denel SOC Ltd*".

## SETTLEMENT, CLEARING AND TRANSFER OF NOTES

---

*Capitalised terms used in this section headed "Settlement, Clearing and Transfer of Notes" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.*

### **Notes listed on the Interest Rate Market of the JSE and/or held in the CSD**

Each Tranche of Notes which is listed on the Interest Rate Market of the JSE in uncertificated form will be held in the CSD. A Tranche of unlisted Notes may also be held in the CSD.

### **Clearing systems**

Each Tranche of Notes listed on the Interest Rate Market of the JSE will be issued, cleared and settled in accordance with the Applicable Procedures for the time being of the JSE and the CSD through the electronic settlement system of the CSD. Such Notes will be cleared by Participants who will follow the electronic settlement procedures prescribed by the JSE and the CSD.

The CSD has, as the operator of an electronic clearing system, been appointed by the JSE to match, clear and facilitate the settlement of transactions concluded on the JSE. Subject as aforesaid each Tranche of Notes which is listed on the Interest Rate Market of the JSE will be issued, cleared and transferred in accordance with the Applicable Procedures and the Terms and Conditions, and will be settled through Participants who will comply with the electronic settlement procedures prescribed by the JSE and the CSD. The Notes may be accepted for clearance through any additional clearing system as may be agreed between the JSE, the Issuer and the Dealer(s).

### **Participants**

The CSD maintains accounts only for Participants. As at the Programme Date, the Participants which are approved by the JSE, in terms of the listing requirements of the JSE, as Settlement Agents to perform electronic settlement of funds and scrip are Absa Bank Limited, FirstRand Bank Limited, Nedbank Limited, The Standard Bank of South Africa Limited, Citibank N.A., South Africa and the South African Reserve Bank. Euroclear, as operator of the Euroclear System, and Clearstream will settle off-shore transfers in the Notes through their Participants.

### **Settlement and clearing**

Participants will be responsible for the settlement of scrip and payment transfers through the CSD, the JSE and the South African Reserve Bank.

While a Tranche of Notes is held in the CSD, the CSD's Nominee, a wholly owned subsidiary of the CSD approved by the Registrar of Securities Services in terms of the Securities Services Act, and any reference to "CSD's Nominee" shall, whenever the context permits, be deemed to include any successor nominee operating in terms of the Securities Services Act, will be named in the Register as the sole Noteholder of the Notes in that Tranche. All amounts to be paid and all rights to be exercised in respect of Notes held in the CSD will be paid to and may be exercised only by the CSD's Nominee for the holders of Beneficial Interests in such Notes.

In relation to each Person shown in the records of the CSD or the relevant Participant, as the case may be, as the holder of a Beneficial Interest in a particular Nominal Amount of Notes, a certificate or other document issued by the CSD or the relevant Participant, as the case may be, as to the Nominal Amount of such Notes standing to the account of such Person shall be *prima facie* proof of such Beneficial Interest. The CSD's Nominee (as the registered Noteholder of such Notes named in the Register) will be treated by the Issuer, the Paying Agent, the Transfer Agent and the relevant Participant as the holder of that aggregate Nominal Amount of such Notes for all purposes.

Payments of all amounts in respect of a Tranche of Notes which is listed on the Interest Rate Market of the JSE and/or held in uncertificated form will be made to the CSD's Nominee, as the registered Noteholder of such Notes, which in turn will transfer such funds, via the Participants, to the holders of Beneficial Interests. Each of the Persons reflected in the records of the CSD or the relevant Participant, as the case may be, as the holders of Beneficial Interests in Notes shall look solely to the CSD or the relevant Participant, as the case may be, for such Person's share of each payment so made by (or on behalf of) the Issuer to, or for the order of, the CSD's Nominee, as the registered Noteholder of such Notes.

Payments of all amounts in respect of a Tranche of Notes which is listed on the Interest Rate Market of the JSE and/or held in uncertificated form will be recorded by the CSD's Nominee, as the registered Noteholder of such Notes, distinguishing between interest and principal, and such record of payments by the CSD's Nominee, as the registered Noteholder of such Notes, shall be *prima facie* proof of such payments.

### ***Transfers and exchanges***

Title to Beneficial Interest held by clients of Participants indirectly through such Participants will pass on transfer thereof by electronic book entry in the securities accounts maintained by such Participants for such clients. Title to Beneficial Interests held by Participants directly through the CSD will pass on transfer thereof by electronic book entry in the central securities accounts maintained by the CSD for such Participants. Beneficial Interests may be transferred only in accordance with the Applicable Procedures.

Beneficial Interests may be exchanged for Notes represented by Individual Certificates in accordance with Condition 14.2 (*Transfer of Notes represented by Individual Certificates*).

### ***Records of payments, trust and voting***

Neither the Issuer nor the Paying Agent will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, Beneficial Interests, or for maintaining, supervising or reviewing any records relating to Beneficial Interests. Neither the Issuer nor the Paying Agent nor the Transfer Agent will be bound to record any trust in the Register or to take notice of or to accede to the execution of any trust (express, implied or constructive) to which any Note may be subject. Holders of Beneficial Interests vote in accordance with the Applicable Procedures.

### ***BESA Guarantee Fund Trust***

The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE or the BESA Guarantee Fund Trust. Claims against the BESA Guarantee Fund Trust may only be made in respect of the trading of the Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the BESA Guarantee Fund Trust.

### ***Notes listed on any Financial Exchange other than (or in addition to) the Interest Rate Market of the JSE***

Each Tranche of Notes which is listed on any Financial Exchange other than (or in addition to) the Interest Rate Market of the JSE will be issued, cleared and settled in accordance with the rules and settlement procedures for the time being of that Financial Exchange. The settlement and redemption procedures for a Tranche of Notes which is listed on any Financial Exchange (other than or in addition to the JSE) will be specified in the Applicable Pricing Supplement.

---

## SUBSCRIPTION AND SALE

---

*Capitalised terms used in this section headed "Subscription and Sale" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or clearly inappropriate from the context.*

The Dealer has in terms of the amended and restated programme agreement dated 18 September 2012, as may be amended, supplemented or restated from time to time (the **Programme Agreement**), agreed with the Issuer a basis upon which it may from time to time agree to subscribe for Notes or procure the subscription of the Notes.

### **Selling restrictions**

#### **South Africa**

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that it will not solicit any offers for subscription for or sale of the Notes in that Tranche, and will itself not sell the Notes in that Tranche of Notes, in South Africa, in contravention of the Companies Act, the Banks Act, the Exchange Control Regulations and/or any other Applicable Laws and regulations of South Africa in force from time to time.

#### **United States**

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) the Notes in that Tranche have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act;
- (b) it has not offered, sold or delivered any Notes in that Tranche and will not offer, sell or deliver any Notes in that Tranche (i) as part of their distribution at any time or (ii) otherwise until 40 (forty) Days after completion of the distribution, as determined and certified by the Dealer or, in the case of an issue of such Notes on a syndicated basis, the relevant Lead Manager, of all Notes of the Series of which that Tranche of Notes is a part, within the United States or to, or for the account or benefit of, U.S. Persons;
- (c) it will send to each dealer to which it sells any Notes in that Tranche during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of such Notes within the United States or to, or for the account or benefit of, U.S. Persons; and
- (d) it, its Affiliates and any Persons acting on its or any of its Affiliates behalf have not engaged and will not engage in any directed selling efforts in the United States (as defined in Regulation S under the Securities Act) with respect to the Notes in that Tranche and it, its Affiliates and any Persons acting on its or any of its Affiliates' behalf have complied and will comply with the offering restrictions requirements of Regulation S.

Until 40 (forty) Days after the commencement of the offering of a Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

#### **European Economic Area**

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that, in relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each a **Relevant Member State**), with effect from and including the date on which the Prospectus

Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of any of such Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of any of such Notes to the public in that Relevant Member State:

- (a) in the period beginning on the date of publication of a prospectus in relation to those Notes which has been approved by the competent authority in that Relevant Member State in accordance with the Prospectus Directive and/or, where appropriate, published in another Relevant Member State and notified to the competent authority in that Relevant Member State in accordance with Article 18 of the Prospectus Directive and ending on the date which is 12 (twelve) months after the date of such publication;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 (two hundred and fifty) employees during the last financial year; (2) a total balance sheet of more than €43 000 000.00 and (3) an annual turnover of more than €50 000 000.00 as shown in its last annual or consolidated accounts; or
- (d) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an “*offer of Notes to the public*” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “*Prospectus Directive*” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

#### **United Kingdom**

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) in relation to any of the Notes in that Tranche which have a maturity of less than one year, (i) it is a Person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any of such Notes other than to Persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of such Notes would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act, 2000 (the **FSMA**) by the Issuer;
- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any of the Notes in that Tranche under circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any of the Notes in that Tranche in, from or otherwise involving the United Kingdom.

#### **General**

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to agree that:

- (a) it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in each jurisdiction in which it purchases, subscribes or procures the subscription for, offers or sells Notes in that Tranche or has in its possession or distributes the Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of Notes in that Tranche under the laws and

regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, subscription, offers or sales; and

- (b) it will comply with such other or additional restrictions as the Issuer and such Dealer agree and as are set out in the Applicable Pricing Supplement.

## **SOUTH AFRICAN TAXATION**

---

*Capitalised terms used in this section headed “South African Taxation” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.*

***The comments below are intended as a general guide to the relevant tax laws of South Africa as at the Programme Date. The contents of this section headed “South African Taxation” do not constitute tax advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.***

### **Securities Transfer Tax**

The issue, transfer and redemption of the Notes will not attract securities transfer tax under the Securities Transfer Tax Act, 2007 (the **STT Act**) because the Notes do not constitute “securities” as defined in the STT Act. Any future transfer duties and/or taxes that may be introduced in respect of (or applicable to) the transfer of Notes will be for the account of holders of the Notes.

### **Value-Added Tax**

No value-added tax (**VAT**) is payable on the issue or transfer of the Notes. The issue, sale or transfer of the Notes constitute “financial services” as defined in section 2 of the Value-Added Tax Act, 1991 (the **VAT Act**). In terms of section 2 of the VAT Act, the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of a debt security as well as the buying and selling of derivatives constitute a financial service, which is exempt from VAT in terms of section 12(a) of the VAT Act.

However, commissions, fees or similar charges raised for the facilitation of the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of Notes that constitute “debt securities” as defined in section 2(1)(iii) of the VAT Act will be subject to VAT at the standard rate (currently 14 percent), except where the recipient is a non-resident as contemplated below.

Services (including exempt financial services) rendered to non-residents who are not in South Africa when the services are rendered, are subject to VAT at the zero rate in terms of section 11(2)(l) of the VAT Act.

### **Income Tax**

Under current taxation law effective in South Africa, a “*resident*” (as defined in section 1 of the South African Income Tax Act, 1962 (the **Income Tax Act**)) is subject to income tax on his/her worldwide income. Accordingly, all holders of Notes who are residents of South Africa will generally be liable to pay income tax, subject to available deductions, allowances and exemptions, on any income (including income in the form of interest) earned in respect of the Notes.

Non-residents of South Africa are subject to income tax on all income derived from a South African source (subject to applicable double taxation treaties). Interest income is deemed to be derived from a South African source if it is derived from the utilisation or application in South Africa by any Person of funds or credit obtained in terms of any form of “*interest bearing arrangement*”. The place of utilisation or application of funds will, unless the contrary is proved, be deemed, in the case of a juristic Person, to be that juristic Person’s place of effective management. As at the Programme Date the Issuer has its place of effective management in South Africa. Accordingly, if the funds raised from the issuance of any Tranche of Notes are applied by the Issuer in South Africa, the interest earned by a Noteholder will be deemed to be from a South African source and subject to South African income tax unless such interest income is exempt from South African income tax under section 10 (1) (h) of the Income Tax Act (*see below*).

Under section 24J of the Income Tax Act, any discount or premium to the Nominal Amount of a Tranche of Notes is treated as part of the interest income on the Notes. Interest income which accrues (or is deemed to accrue) to the Noteholder is deemed, in accordance with section 24J of the Income Tax Act, to accrue on a day-to-day basis until that Noteholder disposes of the Notes or until maturity unless an election has been made by the holder (if the holder is entitled under section 24J of the Income Tax Act to make such election) to treat its Notes as trading stock on a mark-to-market basis. This day-to-day basis accrual is determined by calculating the yield to maturity and applying it

to the capital involved for the relevant tax period. In practice, the premium or discount is treated as interest for the purposes of the exemption under section 10(1)(h) of the Income Tax Act.

Under section 10(1)(h) of the Income Tax Act, interest received by or accruing to a Noteholder who, or which is not a resident of South Africa during any year of assessment is exempt from income tax, unless that Person:

- (a) is a natural person who was physically present in South Africa for a period exceeding 183 (one hundred and eighty three) Days in aggregate during that year of assessment; or
- (b) at any time during that year of assessment carried on business through a permanent establishment in South Africa.

If a holder does not qualify for the exemption under Section 10(1)(h) of the Income Tax Act, exemption from, or reduction of any income tax liability may be available under an applicable double taxation treaty.

Certain entities may be exempt from income tax. Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisors as to whether the interest income earned on the Notes will be exempt under section 10(1)(h) of the Income Tax Act.

### **Capital Gains Tax**

Capital gains and losses on the disposal of Notes by residents of South Africa are subject to capital gains tax. Any discount or premium on acquisition which has already been treated as interest for income tax purposes, under section 24J of the Income Tax Act will not be taken into account when determining any capital gain or loss. Under section 24J(4A) of the Income Tax Act a loss on disposal will, to the extent that it has previously been included in taxable income (as interest), be allowed as a deduction from the taxable income of the holder when it is incurred and accordingly will not give rise to a capital loss.

Capital gains tax under the Eighth Schedule to the Income Tax Act will not be levied in relation to Notes disposed of by a Person who is not a resident of South Africa unless the Notes disposed of are attributable to a permanent establishment of that Person through which a trade is carried on in South Africa during the relevant year of assessment.

Purchasers are advised to consult their own professional advisors as to whether a disposal of Notes will result in a liability to capital gains tax.

### **Withholding Tax**

Under current taxation law in South Africa, all payments made under the Notes to resident and non-resident Noteholders will generally be made free of withholding or deduction for or on account of any taxes, duties, assessments or governmental charges in South Africa.

However, the Taxation Laws Amendment Act, 2010 introduced a withholding tax on interest as defined in section 24J of the South African Income Tax Act. The withholding tax legislation will apply in respect of interest received or accrued on or after 1 January 2013 and imposes a withholding tax of 10% (ten percent) of the amount of any interest received by or accruing to any foreign Person that is not a controlled foreign company. For the purposes of the withholding tax, a "foreign person" is defined as any Person that is not a resident. Accordingly, to the extent that any interest is paid to Noteholders who are South African tax residents, the withholding tax will not apply. The rate of the withholding tax on interest paid to non-residents may be reduced in terms of any double tax agreement concluded between South Africa and the Noteholder's country of residence.

In terms of the South African Income Tax Act, interest received by or accrued to a foreign Person during any year of assessment in respect of any listed debt instrument will be exempt from the withholding tax on interest. In terms of the legislation, a "listed debt instrument" is a debt instrument that is listed on a recognised exchange as defined in the Income Tax Act. A "debt instrument" is defined as any loan, advance, debt, bond, debenture, bill, promissory note, banker's acceptance, negotiable certificate of deposit or similar instrument.

### **Definition of Interest**

The references to "interest" above mean "interest" as understood in South African tax law. The statements above do not take account of any different definitions of "interest" or "principal" which may

prevail under any other law or which may be created by the Terms and Conditions or any related documentation.

## **SOUTH AFRICAN EXCHANGE CONTROL**

---

*Capitalised terms used in this section headed “South African Exchange Control” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.*

*The information below is intended as a general guide to the position under the Exchange Control Regulations as at the Programme Date. The Exchange Control Regulations are subject to change at any time without notice. The contents of this section headed “South African Exchange Control” do not constitute exchange control advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.*

### **Non-South African resident Noteholders and emigrants from the Common Monetary Area**

Dealings in the Notes and the performance by the Issuer of its obligations under the Notes and the Applicable Terms and Conditions may be subject to the Exchange Control Regulations.

#### **Blocked Rands**

Blocked Rands may be used for the subscription for or purchase of Notes. Any amounts payable by the Issuer in respect of the Notes subscribed for or purchased with Blocked Rands may not, in terms of the Exchange Control Regulations, be remitted out of South Africa or paid into any non-South African bank account.

#### **Emigrants from the Common Monetary Area**

Any Individual Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed “*emigrant*”. Such restrictively endorsed Individual Certificates shall be deposited with an authorised foreign exchange dealer controlling such emigrant’s blocked assets.

In the event that a Beneficial Interest in Notes is held by an emigrant from the Common Monetary Area through the CSD, the securities account maintained for such emigrant by the relevant Participant will be designated as an “*emigrant*” account.

Any payments of interest and/or principal due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such emigrant Noteholder’s Blocked Rand account, as maintained by an authorised foreign exchange dealer. The amounts are not freely transferable from the Common Monetary Area and may only be dealt with in terms of the Exchange Control Regulations.

#### **Non-residents of the Common Monetary Area**

Any Individual Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed “*non-resident*”. In the event that a Beneficial Interest in Notes is held by a non-resident of the Common Monetary Area through the CSD, the securities account maintained for such Noteholder by the relevant Participant will be designated as a “*non-resident*” account.

It will be incumbent on any such non-resident Noteholder to instruct the non-resident’s nominated or authorised dealer in foreign exchange as to how any funds due to such non-resident in respect of Notes are to be dealt with. Such funds may, in terms of the Exchange Control Regulations, be remitted abroad only if the relevant Notes are acquired with foreign currency introduced into South Africa and provided that the relevant Individual Certificate has been endorsed “*non-resident*” or the relevant securities account has been designated as a “*non-resident*” account, as the case may be.

The Issuer is established and resident in South Africa and as such is not required to obtain exchange control approval.

For purposes of this section, **Common Monetary Area** means South Africa, Lesotho, Namibia, and Swaziland.
