<b>TITLE: DLS OPERATIONAL POLICY SAFETY HEALTH AND ENVIRONMENTAL POLICY STATEMENT</b>			

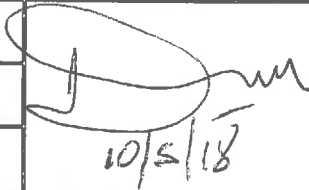

To conduct all its operations in a manner that will minimise impact on the environment and uphold the safety and health of our employees is one of the core values of Denel Land Systems.

**1 WE THEREFORE COMMIT OURSELVES TO:**

- a. Continually improve our safety, occupational health and environmental performance.
- b. Comply with all applicable laws, regulations and other commitments.
- c. Prevent work-related diseases and injuries to employees and visitors.
- d. Prevent damages to property.
- e. Prevent pollution of the environment.
- f. Conserve natural and other resources.
- g. Treat the protection of safety, occupational health and the environment as the responsibility of everyone working at Denel Land Systems.

**2 THE ABOVE COMMITMENTS WILL BE MET BY:**

- a. Integrating safety, occupational health and environmental considerations into all aspects of the business process.
- b. Implementing formal safety, occupational health and environmental management systems according to ISO 14001 and OHSAS 18001 standards.
- c. Providing appropriate training to all employees and contractors.
- d. Assigning responsibility for the coordination of the safety, occupational health and environmental management programmes to appropriately skilled and experienced managers.
- e. Providing adequate resources and facilities to implement the requirements of this policy.
- f. Proactively engaging with the government, communities and other stakeholders on matters related to safety, occupational health and the environment.
- g. Ensuring that the design and use of our products do not have an adverse effect on the natural environment or on the safety of the user.
- h. Making public the company's safety, occupational health and environmental policy and performance.
